Denali By Rail Explorer—Southbound Tour Itinerary:

Day 1: Thursday—Fairbanks Air Arrival Day: Welcome to Fairbanks. Whether you're exploring Alaska's Golden Heart City or the wonderful amenities your hotel has to offer, get ready for an unforgettable journey in the days ahead. Please note the standard hotel check-in time is 3:00 pm. Enjoy the rest of your day at leisure. **Overnight: Fairbanks - 3 star hotel.**

Day 2: Friday—Fairbanks: Your Norwegian Cruise Line Tour Director will greet you at your Fairbanks hotel. This morning, board your deluxe motorcoach for a city tour of Fairbanks. Next you will enjoy a visit to the historic Gold Dredge #8 where you will get the chance to do some panning just like the early pioneers of Alaska. Open afternoon and evening to explore Fairbanks or take an optional tour. **Overnight: Fairbanks - 3 star hotel.**

Day 3: Saturday—Fairbanks/Denali: This morning, enjoy travelling along the rails of the Alaska Railroad to Denali National Park with 360-degree views from your deluxe dome railcar seats. As you travel through the high tundra plateau into the gorgeous scenery of the Healy Gorge and Canyon, be watchful for wildlife during your rail journey. Full bar and meal service are available for purchase during your rail journey. More than just the mountain, Denali National Park is six million acres of wild land. After lunch on your own, your tour will take you into this pristine region of Alaska on the only road into and out of the park. Along the way, enjoy a fully narrated ride learning about the flora and fauna of the area while looking out for the wild animals that roam freely and call this park home. While in this beautiful area, set aside time to experience the solitude and tranquility that vast wilderness can provide. During your Tundra Wilderness Tour, you will travel 60 miles into Denali National Park, enjoying the incredible scenery and some of the best opportunities to see wildlife in its natural setting. A light snack is included on the tour. Tour Duration is approximately 7 hours. Upon arrival in Denali, your Tour Director will advise you of your tour time. **Overnight: Denali - 3 star hotel.**

Day 4: Sunday—Denali/Anchorage: This morning is open for optional activities in Denali before heading out to learn about the Alaska state sport of dog mushing with an included stop at a local Iditarod sled dog kennel. You'll be amazed to learn about this fascinating sport, the musher, the dogs, and even get to hold a future champion puppy in your arms. After this authentic visit, we won't be surprised if you are ready to run "The Last Great Race" yourself. Travel by motorcoach to the town of Talkeetna and then, you'll take your second segment along the rails of the Alaska Railroad from Talkeetna to Anchorage in a deluxe dome railcar. As the gorgeous scenery of Alaska rolls past, be watchful for wildlife, as well as glimpses of Mt. Denali, or, as the Alaskans call it, "The Great One." Full bar and meal service are available for purchase during your rail journey. **Overnight: Anchorage - 3 star hotel.**

Day 5: Monday—Anchorage/Seward: This morning, enjoy a brief city tour of Anchorage and then continue south down the Turnagain Arm along the Seward Highway. This "All-American Scenic Highway" has spectacular views of the Cook Inlet and Chugach Mountains. In dramatic fashion, see where the mountains meet the sea. Stop at the Alaska Wildlife Conservation Centre and get up close to moose, bears, musk ox and other indigenous animals of the region. Taking in orphaned animals and providing quality animal care year-round, the Conservation Centre is dedicated to the protection and preservation of Alaska's wildlife. Animals that cannot be released back into the wild are given a permanent home at the Centre. Continue on by motorcoach to Seward to board Norwegian Jewel for your 7-Night Alaska cruise.

Day 6: Cruise Hubbard Glacier: Get up close with gigantic Hubbard Glacier, North America's largest tidewater glacier.

Day 7: Icy Strait Point, Alaska: Venture "where the north wind doesn't blow". Breathtaking and exciting, Icy Strait Point is an awe-inspiring Alaska Jewel.

Day 8: Cruising Dawes Glacier: This is why visitors come to Alaska—to see glaciers as magnificent as Dawes. As we approach, listen for thunderous cracks. Dawes is an active glacier that recedes daily causing calving, where huge hunks of ice plunge into the sea.

Day 9: Skagway, Alaska: A remote town along the Inside Passage is a town of yesteryear where charming boardwalks and buildings replicate those from the Gold Rush days.

Day 10: Ketchikan, Alaska: Thanks to its abundant rainfall, Ketchikan is surrounded by some of the world's most lush wilderness.

Day 11: Cruise Inside Passage: Get ready for amazing views and wildlife like nowhere else as we sail the Island of Alaska's Inside Passage.

Day 12: Disembark in Vancouver, BC for our flight home.
